

A Christmas Tea at Westwind Farm

Sunday, December 9, 2-4pm

Bring a good friend, or just yourself, to enjoy a quiet afternoon where you are served some of our best savory and sweet treats. We'll tell you a bit about Westwind Farm - our mission, our local and sustainably raised foods, and the different eco-themed events we host. Two beautiful gift baskets will become door prizes, as well, that can be used as a gift, or to treat yourself. Taking home recipes from your meal can help you plan for your guests, as well.

Join us at the Westwind Farm House for different Asian and herbal Teas, a beautiful organically sourced, garden luncheon, and time with old and new friends. \$20 each.
